Sri Radha Govinda Jhulan Yatra

In Sri Dham Mayapur, Sri Radha Madhava is decorated nicely and seated on a swing. All devotees wait patiently in a queue to swing Their Lordships. The swing (Jhulana) beautified with splendid flower decorations, colourful beads, etc. A special flower rope is used to pull the swing. An arotik is performed after Sri Sri Radha Madhava are seated on the swing, and devotees bring a variety of Bhoga to please Their Lordships. Kirtana and bhajans go on for almost two hours, and many visitors join in to pull Their Lordship's swing.

In this regard Sri Hari-bhakti-vilasa states,

To please Sri Hari, devotees hold numerous festivals on every occasion and continuously perform sankirtana. According to their ability, the devotees serve the Lord during the summer by placing Him on the boat, taking Him out on a procession, applying sandalwood on His body, fanning Him with chamara, decorating Him with jeweled necklaces, offering Him palatable foodstuffs, and bringing Him out to swing Him in the pleasant moonlight.

The celebrations conclude with the Deities being taken in a Pallakki (palanquin) around the temple hall and enter the Shayanna room to take rest.

Jhulan Festival is celebrated in the month of Shravana (August), from the eleventh day of the bright fortnight (Ekadashi) to the full-moon day (Purnima). This festival is celebrated to commemorate the childhood pastimes of Sri Krishna with His friends, the young cowherd boys, and girls, swinging underneath the trees.

Here is an opportunity for you to serve the Divine Couple and receive Their unlimited blessings. Sponsor a personal seva today to the Divine Couple.

Balarama Jayanti 2022

“That Maha-Visnu who lies on the Causal Ocean is actually an expansion of Balarama, who is Krsna’s first expansion, and, in the Vrndavana pastimes, is the brother of Krsna. In the maha-mantra Hare Krsna, Hare Krsna, Krsna Krsna, Hare Hare, Hare Rama, Hare Rama, Rama Rama, Hare Hare, the word Rama refers to Balarama. Since Nityananda is an expansion of Balarama, Rama also refers to Lord Nityananda. Thus, Hare Krsna, Hare Rama addresses not only Krsna and Balarama but Lord Caitanya and Nityananda as well.”

In Mayapur, Balaram Purnima is celebrated in a grand way. Also the culmination of the Jhulan festival adds grandeur to the festival. Small Sri Sri Radha -Madhava deities will swing in the Jhulan Mantap which is gorgeously decorated with flowers. Honey pot breaking festival also takes place with great pomp. Balaram Purnima also marks the beginning of Janmastami festival celebrations. Be a part of this festival by choosing any seva dear to your heart!

During these periods, there are various seva opportunities to choose from, pick a personal seva to render to Their Lordship and get unlimited blessings of your seva.

Sri Krishna Janmastami

The sole purpose for Krishna's appearance was specially to dissipate the unscrupulous cruelty of evil leaders (darkness) and to establish righteousness (Light). Sri Krishna has appeared solely to protect His devotees, so let's seize the opportunity with great awe, reverence and partake wholesomely in this great advent.

"One has to understand Your appearance with great intelligence because the material energy is also emanating from You. You are the original source of the material energy, just as the sun is the source of the sunshine. The sunshine cannot cover the sun globe, nor can the material energy--being an emanation from You--cover You.

You appear to be in the three modes of material energy, but the three modes of material energy cannot cover You. This is understood by the highly intellectual philosophers. In other words, although You appear to be within the material energy, You are never covered by it." Please join us as we celebrate the appearance of our beloved Lord Sri Krishna and receive His Blessings.

The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities.

All glories to Srila Prabhupad, the fountainhead of all those who went to the western world to preach the glories of the holy names of the Lord, the one who delivered countless fallen conditioned souls by imparting upon them the transcendental science of Krishna consciousness, and the one who fulfilled the prophecy of Shri Chaitanya Mahaprabhu. pṛthivīte āche yata nagarādi grāma

sarvatra pracāra haibe mora nāma "In every town and village, the chanting of My name will be heard".

Just after Sri Krishna Janmastami is the appearance day of Srila Prabhupada which happens to fall on the 20th of August this year! In Sri Mayapur Dham it is a very big celebration as we honor the appearance of His Divine Grace.

We invite you to come be a part of this year celebration and offer your heart felt Vyasa Puja offerings to Srila Prabhupada. You can submit your Vyasapuja offerings using this link in the comment session or visit our page www.mayapur.com
